CHICKEN IMPOSSIBLE

Karla, Othello and Alex are playing with mega blasters on the bus. When they hit the bus driver in the back of the neck, he confiscates their blasters. Karla works out the perfect plan to steal them back. Bob is part of the plan, as he is the only one who can fit through the sunroof of the bus. Unfortunately, the plan isn't perfect, and Bob ends up trapped in the bus with the angry bus driver. Karla is really upset, but Bob manages to free himself in an underplayed, yet heroic way, and once he's out, the last part of Karla's plan works to perfection - the bus driver gets his cake, his anger dissipates, and Bob is proclaimed the bravest gnome in Rainbow Town.

SNAZZY DUCKLING

The class is going to perform "The Ugly Duckling" as a play and everyone wants the lead role, especially Tetra and Karla. Karla wins a draw and is overjoyed. Unfortunately, she gets caught up in the excitement and wants to decide everything. Eventually, the whole class get so fed up with Karla that they leave her alone in the classroom. Karla realises she can't do the play without help, so she apologises to her classmates and gives the lead role to Tetra. Tetra declines and the whole class forgives Karla... And then it's time to get on with the play!
